## Our first Christmas at Spit Road

Well.... We have been in our new home for 3 months now. We hope you are enjoying our new surroundings as much as we are. If you are still unsure of parking availability here are some options:

BRIDGEPOINT CENTRE  
VISTA STREET  
&  
THE CRESCENT

If you are an existing client you will have received a flyer in the mail with our new details and parking options. If you wish to have a copy of this feel free to ask Katie.

### Internet Access

We now have the internet available for our clients to use at their leisure in the waiting area. So if you wish to check your emails or surf the net... feel free to do so. If you have any questions or would like to book an appointment via the internet email

### Digital Xray

We have upgraded our xray system to digital form which is fantastic as for clients it means even less exposure to radiation than before and within 30 seconds of taking the image Dr Yerbury is able to view it on his monitor in the surgery.

### Coffee Coffee Coffee

Ok..... if you fancy a coffee don't hesitate to ask Katie to make you one. We have a new Nesspresso coffee machine.....Be patient with Katie though as she is still learning to make that perfect coffee!!!

### Hicaps

We are in the process of having a Hicaps terminal installed. For those of you are in a health fund this service will benefit you. After your treatment has finished we can swipe your health fund card, punch in the item numbers and your rebate will be issued immediately. Hopefully this will make life a bit easier for you.

It will take a few weeks for the terminal to arrive so we will keep you posted on its progress.

### Seasons greetings

Dr Yerbury, Katie and Kemi would like to wish you all a safe and happy Christmas. More news in 2009!!!!
